Correction
In this paper, the y-axis label in Figure 2 and Figure 3 is should be M€/year and not M€/MWh. Please find the correct figures below.

Fig. 2: Profit for 2008 on each of the electricity markets (see Table 2) considered for all four optimisation strategies with a 2 GWh storage capacity.

Fig. 3: Profit for 2008 on each electricity market (see Table 2) considered for all four optimisation strategies with an 8 GWh storage capacity.
