BRIDGING THEORY AND PRACTICE THROUGH REFLEXIVITY

28TH MARCH 2018
QUALITATIVE RESEARCH IN MANAGEMENT AND ORGANIZATION CONFERENCE

KRISTIAN HØJMARK-BREINER & METTE VINTHER LARSEN
Question 1

"If you faced this project, what would you do?"
Question 2

“How can we develop an executive program that enable the participating leaders to bridge theoretical and practical knowledge in reflexive ways?”
Question 3

“How can we both during and after executive programs facilitate learning processes that support reflexivity?”
“How can we as researchers become reflexive about the way we develop executive programs?”
