Memorandum: Certificate of Attendance – Majid Ali

On behalf of Los Alamos National Laboratory (LANL) and the Center for Nonlinear Studies (CNLS), this letter serves to confirm that Majid Ali attended and completed the following workshop, 2023 Grid Science Winter School and Conference, on January 9-13, 2023, in Santa Fe, New Mexico.

This document is intended to verify attendance of the above-named individual at the sessions below:

- Conference Fireside Chat to include "A Comparison of Typical Backup Systems and Ad Hoc Microgrids Powered by Renewable Energy for Improving the Resilience of Local Hospital Loads"
- Poster session to include "Ad-Hoc Microgrids Planning for Rural Communities Under Natural Disaster"

as well as the designated conference program on the specific date (s) indicated above. Verification of attendance can be confirmed by contacting the Center for Nonlinear Studies (CNLS) at cnls-conferences@lanl.gov.
