

Teaching portfolio

1. Teaching CV: A list of any lecturing and supervision tasks, including specification of academic fields, scope, level (bachelor, master, continuing education, PhD) as well as any external examiner tasks.

Teaching portfolio 2015 – 2017 Professor of Environmental Hydraulics. Part time employed (40 %) since 2012 at Department of Civil Engineering, Aalborg University. Lecturing in course “hydrodynamics of estuaries and coastal waters” for 2nd semester “Marine pollution” master specialization in Water and Environment. Lecturing in course “Hydrology and climate” for 4th semester Geography (bachelor). Project supervision for 2nd semester “Marine pollution” master specialization in *Water and Environment*. Project supervision for 4th semester “Physical Oceanography” (bachelor). Project supervision for 5th semester “Water Engineering – Hydrology and water supply” (bachelor).

2. Study administration: A list of any study administration tasks, e.g. study board membership, head of studies or semester or course coordinator, accreditation, etc.

Head of PhD program in Civil Engineering. Semester responsible for 2nd semester “Marine pollution” master specialization in Water and Environment.

3. University pedagogy qualifications: A list of any completed courses in university pedagogy, PBL courses, workshops, academic development projects, collegial guidance and supervision, etc.

No courses or similar in the period 2015 -2017. Many earlier.

4. Other qualifications: Conference attendance, editorials, presentations, etc. relating to education, 'University Teaching Day', etc.

Nothing particular to mention.

5. Teaching activity development and teaching materials: A list of any contributions to the development of new modules, teaching materials, study programmes, e-learning, collaboration with external business partners, etc.

Co-author of Brorsen M., Larsen, T. “Textbook in hydraulics” (2012), Aalborg Universitetsforlag. Author of “Kompendium om vandløbshydraulik” (2017). Department of Civil Engineering. Author of “Lecture notes - Some aspects of unsteady hydraulics of watercourses” (2017).

6. Teaching awards you may have received or been nominated for.

Nothing particular to mention.

7. Personal reflections and initiatives: Here you may state any personal deliberations as regards teaching and supervision, any wishes and plans for further pedagogic development, plans for following up on feedback/evaluations from students, etc.

Nothing particular to mention.

8. Any other information or comments.

Nothing particular to mention.
