1999 International Symposium Integrative Medicine & Expressive Therapies

May 26-28, 1999
at the Omega Institute

Be a part of history in the making! Join us for the 1st annual meeting of the Association for Integrative Medicine. This is also the first ever

collaborative symposium dedicated to both Integrative Medicine and Expressive Therapy. Here you will find physicians along side Reiki masters and acupuncturists, psychiatrists next to artists and dancers, chiropractors among music therapists and nurses. Don't miss this unique experience and incredible opportunity to learn, network and actively participate in this groundbreaking historical event. Hear about the latest alternative and complementary medicine techniques, philosophy and practice issues in lectures and panel discussions, experience a new approach to health and healing from a variety of hands-on workshops, take some time for your own renewal in the hot tub or sauna. Drop by the ongoing Free Expressive Arts & Bodywork Exchange Area. Enjoy the healthy, natural environment of the beautiful Omega campus.
