**Correction**

In this paper, the $y$-axis label in Figure 2 and Figure 3 is should be M€/year and not M€/MWh. Please find the correct figures below.

---

**Fig. 2:** Profit for 2008 on each of the electricity markets (see Table 2) considered for all four optimisation strategies with a 2 GWh storage capacity.

**Fig. 3:** Profit for 2008 on each electricity market (see Table 2) considered for all four optimisation strategies with an 8 GWh storage capacity.
