

CONFERENCE

# THE LOST DECADE? PLANNING THE FUTURE

**28th February - 1st March 2019**

Aalborg University Copenhagen

Ten years ago the global community failed to agree upon a global climate agreement at the COP15 in Copenhagen. This interdisciplinary conference explores what we have lost in the last decade and identifies new trajectories for planning a more sustainable future.

## DAY 1 - THE LOST DECADE?

### KEYNOTES

**Katherine Richardson - University of Copenhagen**

Where in the world is the climate headed?

**Brian Vad Mathiesen - Aalborg University**

Climate change and energy systems.

**Theresa Scavenius - Aalborg University**

The democratic domino effect.

**Daniel Sarewitz - Arizona State University**

The Lost Decade? More like 25 years.

### PANELS

**The traumatisation of Danish climate politics and communication failures**

Mikkel Fugl Eskjær - Aalborg University

**A coherent transport system for Greater Copenhagen 2050**

Andrés Valderrama - Aalborg University

**Climate change and political philosophy**

Theresa Scavenius - Aalborg University

**District heating and waste**

Nis Bertelsen - Aalborg University

**Politics of responsible and sustainable technology**

Lars Botin - Aalborg University

## DAY 2 - PLANNING THE FUTURE

### KEYNOTES

**Nico Stehr - Zeppelin University**

How to bridge knowledge and politics?

**Inge Røpke - Aalborg University**

Economics for sustainability

**Simon Caney - University of Warwick**

Democracy and governing for the long-term.

### PANELS

**Hvordan kan supercykelstier bidrage til mere bæredygtig mobilitet i Greater Copenhagen? (in Danish)**

Anne Katrine Harders - Danish Architecture Center

**The potential of new renewable technologies**

Brian Vad Mathiesen - Aalborg University

**Bæredygtigt hverdagsliv i bæredygtige byer**

Toke Haunstrup Christensen - Aalborg University

**New energy solutions to make the coming decade count**

Henrik Bach Mortensen - Aalborg University and SGRE

**Sustainable production and consumption of textiles**

Else Skjold - Design School Kolding

**Climate and finance - also a lost decade?**

Inge Røpke - Aalborg University
