

## CERTIFICATE

**Thomas Bredgaard**

Has completed the course

**"Doctoral supervision for doctoral supervisors"**

June 2020

**Description:** The Doctoral School of Social Sciences offered a 2-day course for doctoral supervisors. The course targeted both new as well as experienced supervisors.

The course covered:

- Good supervision practice and challenges in the supervision process: Defining and aligning expectations in doctoral supervision
- Coping and wellbeing in the PhD: How to identify and act on needs for institutional, academic, and emotional support in the PhD process
- Roles and responsibilities in the relation between doctoral students and their supervisors
- The supervisory dialogue: Enhancing communication and feedback in supervision meetings

**Course responsible:** Doctoral School of Social Science

**Course lecturer:** Søren S. E. Bengtsen, Associate Professor, PhD, Aarhus University

**Anette Therkelsen**  
Director of Doctoral School
