Framework grant

Dear Anne Merrild Hansen

The Danish Agency for Higher Education and Science has evaluated your application for the recent call for the International Network Programme and has decided to award you a framework grant for the following project:

Agricultural production towards sustainable development in south Greenland – a cross disciplinary approach towards regional development

The total grant amounts to DKK 288.000 divided into:

Direct cost	DKK 200.000
Overhead	DKK 88.000

The funding period is 1st of January 2022 – 31st of December 2022.

The grant must be administrated by Aalborg Universitet.

Upon request, 85 % of the grant will be disbursed at the project's starting date, at the earliest. The request for pre-payment must be sent **3 month** after the starting date, at the latest. The Agency withholds 15 % (minimum DKK 15,000) of the total amount until the Agency has received and approved the final financial statement and the scientific report.

The request for grant disbursement must be submitted using an electronic invoice (e-invoice) via the Agency's EAN number: 5798000416697. The e-invoice must indicate the ref. number of the grant.

For the grant's distribution, use and administration please read "Terms & Conditions for Grants". The document in force at the time in question can be found at the ministry's [web page](#).

Overhead is at the institution's disposal. If the grant deviates from the final and approved budget, the overhead will be equally reduced.

The grant is exclusive of VAT. You can apply for a refund of input VAT via your institution's account for non-deductible input VAT.

The network activities must be completed no later than 31st of December 2022. An extension

of the funding period beyond 31st of December 2022 will only be accepted in **special cases**, for instance illness or parental leave. Your written request for extension must be submitted **1 month** before the end date of the grant period, at the latest.

Final financial statement and scientific report

No later than **3 months** after 31st of December 2022, you are required to submit a scientific report along with a final financial statement, which should relate to the approved budget. You will find a link to the scientific report in e-grant. If the network activities are completed within the above-stated funding period the following deadlines apply:

Condition	Deadline
Scientific report	31 March 2023
Final financial statement	31 March 2023

Danish Agency for Higher Education
and Science

You will find the guidelines for submitting financial statement and scientific report for the International Network Programme at the ministry's [web site](#).

Any unused funding must be returned to the Agency's account: Danske Bank, registration No. 0216, account 4069062652, indicating the ref. number of the grant.

You are responsible for the grant. Any inquiries regarding the grant will primarily be directed at you.

All communication must be sent via e-grant and stating the grant number. Questions regarding the grant should be in writing and addressed to the grant administration. You might also be able to find answers in our [FAQ](#) at www.ufm.dk/.

Yours sincerely,

Gitte Agerhus
