**Sarah Robinson**

Architect, writer, and adjunct professor  
at Aalborg University

## "Architecture is a Verb"

**Sarah Robinson** is an architect, writer and educator whose practice is based in Pavia, Italy. Her writing and research is concerned with the many ways that the built environment shapes body, mind and culture. Her books, *Nesting: Body, Dwelling Mind* (William Stout, 2011), *Mind in Architecture: Neuroscience, Embodiment and the Future of Design* with Juhani Pallasmaa (MIT, 2015) and *Architecture is Verb*, (Routledge, 2021) are among the first works to engage the dialogue between architecture and the cognitive sciences. She was the founding president of the Frank Lloyd Wright school of architecture board of governors. She is adjunct professor in Architecture, Design and Media Technology at Aalborg University, Denmark, teaches and is a member of the scientific board of NAAD, Neuroscience Applied to Architectural Design at IUAV, Venice.
