DETOURS/OBSTACLES - NOTES AND PERFORMANCE HISTORY

NOTE ON THE WORK

This collection of short suggestions explores indirect ways to present ideas - or to maybe discover interesting things along the way. Thus, the conscious and perhaps habitual way of doing things might be loosened up and discoveries made. - Unlike many of my other works which might be frameworks or formulas demanding that the rules be followed, suggestions are kept open here, as the introductory statement says - "may be used...as you like".

RECORDINGS PROVIDED

none, as of 24.June 2010.

PERFORMANCE HISTORY

Nothing public as of yet, but I tested it solo as well as in an ensemble and felt satisfied about it.
