

## Teaching portfolio

### 1. Teaching CV: A list of any lecturing and supervision tasks, including specification of academic fields, scope, level (bachelor, master, continuing education, PhD) as well as any external examiner tasks.

Current Course portfolio:

- "Product Development and Modelling" for the master programme in Manufacturing Technology, 2nd semester
- "Business Intelligence" for the master programmes Operation and Supply Chain Management and Operation and Innovation Management and Operation, 2nd semester
- "Development of Information Systems" for the bachelor programme in Global Business Engineering, 4th semester
- "Manufacturing processes" for the master programme in Sports Technology 2nd semester
- "Flexible Manufacturing", 1st semester Operations and Supply Chain Management

Courses taught previously:

- "Business processes and IT projects" for the bachelor programme in Global Business Engineering, 5th semester
- Manufacturing and Supply Chain Systems for the master programme in Operation and Supply Chain Management
- "Basic Models for production" for master programme in production with specialisation in production systems, 1st semester
- "Product and Service Design" for the master programme in Global System Design, 1st semester.
- "Production IT and Product Configuration" for the master programme in Manufacturing Technology and the master programme in Operation and Supply Chain Management, 2nd semester
- Guest lectures regarding practical experiences in product configuration from my Industrial PhD studies at Aalborg Industries (former employer) for the master programme in Manufacturing Technology and the master programme in Operation and Supply Chain Management, 2nd semester
- "Web technologies and Applications" for the bachelor programme in Global Business Engineering, 5th semester
- Competence development course at a private company "Asetek" regarding modularisation and configuration.

From 2010 to now I have been regularly supervising project groups on the following semesters:

Global Business Engineering 5th and 6th semester

Operations and Supply Chain Management, 1st, 2nd, 3rd, and 4th semester

Cand.Techn in Production, 1st, 2nd, 3rd, and 4th semester

### 2. Study administration: A list of any study administration tasks, e.g. study board membership, head of studies or semester or course coordinator, accreditation, etc.

Since 2011 I have been a member of the M Study board

### 3. University pedagogy qualifications: A list of any completed courses in university pedagogy, PBL courses, workshops, academic development projects, collegial guidance and supervision, etc.

I have successfully completed the University Pedagogy programme 2010-2012

### 4. Other qualifications: Conference attendance, editorials, presentations, etc. relating to education, 'University Teaching Day', etc.

Type your answer here...

### 5. Teaching activity development and teaching materials: A list of any contributions to the development of new modules, teaching materials, study programmes, e-learning, collaboration with external business partners, etc.

I have taken part in the development of the new study programme Cand.Techn. in production

Furthermore I have participated in the revisions of the study programmes "global business engineering" and "operations and supply chain management".

Finally I have taken part in developing all the courses presented in item 1. in this document.

### 6. Teaching awards you may have received or been nominated for.
