

## Teaching portfolio

### 1. Teaching CV: A list of any lecturing and supervision tasks, including specification of academic fields, scope, level (bachelor, master, continuing education, PhD) as well as any external examiner tasks.

2017

Autumn semester

- Teaching and examination, course on Infrastructures and systems, lectures about district heating, on Urban, Energy and Environmental Planning (B.Sc.) 5th semester

Spring semester

- Teaching, course on energy system analysis, lecture about energy consumption, on Urban, Energy and Environmental Planning (B.Sc.) 4th semester

- Teaching, course on natural resources and the society, workshop about energy resources on Urban, Energy and Environmental Planning (B.Sc.) 2nd semester

- Supervision of semester project, project about district heating versus individual heating, on Urban, Energy and Environmental Planning (B.Sc.) 4th semester

2016

Autumn semester

- Teaching, course on PBL and scientific methods, lecture about introduction to energy system analysis, on Energy Technology (B.Sc.) 1st semester

- Teaching, course on urban geographical methods, lecture about energy planning, on Urban, Energy and Environmental Planning (B.Sc.) 3rd semester

- Teaching, course on natural resources, lecture about renewable energy, on Urban, Energy and Environmental Planning (B.Sc.) 5th semester

- Supervision of semester project, project about energy efficiency measures in buildings, on Sustainable Energy Planning and Management (M.Sc.) 3rd semester

- Supervision of semester project, project about energy storage, on Sustainable Energy Planning and Management (M.Sc.) 1st semester

- Supervision of semester project, project about district heating in Spain, on Sustainable Energy Planning and Management (M.Sc.) 1st semester

- Internal evaluator, exam of semester project on Sustainable Energy Planning and Management (M.Sc.) 1st semester

- Internal evaluator, exam of two semester projects on Sustainable Energy Planning and Management (M.Sc.) 3rd semester

2015

Autumn semester

- Supervision of semester project, project about wind and solar energy, on Sustainable Energy Planning and Management (M.Sc.) 1st semester

- Supervision of semester project, project about carbon footprint of cement production, on Sustainable Energy Planning and Management (M.Sc.) 1st semester

- Internal evaluator, exam of semester project on Sustainable Energy Planning and Management (M.Sc.) 1st semester

- Internal evaluator, exam of two semester projects on Sustainable Energy Planning and Management (M.Sc.) 3rd semester

Spring semester

- Teaching, course on sustainable energy systems, lecture about introduction to energy planning, on Energy Technology (B.Sc.) 6th semester

- Supervision of semester project, project about biogas, on Urban, Energy and Environmental Planning (B.Sc.) 6th semester

- Co-supervision of three semester projects, on Energy Technology (B.Sc.) 1st semester

- Internal evaluator, exam of semester project on Sustainable Energy Planning and Management (M.Sc.) 3rd semester

2014

Autumn semester

- Supervision of semester project, project on reduction of fuel oil usage in Danish households, on Sustainable Energy Planning and Management (M.Sc.) 1st semester

- Co-supervision of two semester projects, on civil engineering (B.Sc.) 1st semester

- Internal evaluator, exam of semester project on Sustainable Energy Planning and Management (M.Sc.) 1st semester

**2. Study administration: A list of any study administration tasks, e.g. study board membership, head of studies or semester or course coordinator, accreditation, etc.**

Type your answer here...

**3. University pedagogy qualifications: A list of any completed courses in university pedagogy, PBL courses, workshops, academic development projects, collegial guidance and supervision, etc.**

2014

- Basic Course in Pedagogy for University Teachers, AAU Learning Lab

**4. Other qualifications: Conference attendance, editorials, presentations, etc. relating to education, 'University Teaching Day', etc.**

Type your answer here...

**5. Teaching activity development and teaching materials: A list of any contributions to the development of new modules, teaching materials, study programmes, e-learning, collaboration with external business partners, etc.**

2017

- Course on Infrastructures and systems, three lectures about district heating, on Urban, Energy and Environmental Planning (B.Sc.) 5th semester

**6. Teaching awards you may have received or been nominated for.**

Type your answer here...

**7. Personal reflections and initiatives: Here you may state any personal deliberations as regards teaching and supervision, any wishes and plans for further pedagogic development, plans for following up on feedback/evaluations from students, etc.**

Type your answer here...

**8. Any other information or comments.**
