

Teaching portfolio

1. Teaching CV: A list of any lecturing and supervision tasks, including specification of academic fields, scope, level (bachelor, master, continuing education, PhD) as well as any external examiner tasks.

AAU:

- Semester coordinator for 9-10th semester in biology (60 erts).
- Semester coordinator for 6th semester in biology (30 erts).
- Responsible for the course "Marine biology", 6th semester bachelor in biology (5 erts)
- Responsible for the course "Limnology", 6th semester bachelor in biology (5 erts)

- Teacher on the course "Marine Biology"
- Teacher on the course "Zoo Physiology"
- Teacher on the the course "Limnology"
- Teacher on the course "Danish Nature Habitats"

- Supervisor, 6th semester projects (Bachelor projects) in biology, around 50 students
- Supervisor, 8th semester projects in Environmental Engineering, around 10 students
- Supervisor, 7th semester projects in Molecular Biology, around 10 students
- Supervisor, 8th semester projects in Environmental Management, around 5 students
- Supervisor, 1st semester projects in City Pollution, around 50 students
- Supervisor, 9-10th semester projects (Master projects) in biology, around 25 students

SDU:

- Teacher on the the course Research Forum

DTU:

- Teacher "Design of survey- og monitoring systems"
- Development and course responsible, master course, "Fish capture Technology"
- Development and course responsible, DTU Ph.D. course, "Fish capture Technology"
- Teacher, bachelor course, "An Introduction to Ocean Science and Technology"
- Supervisor, master course project "Cruise leader on R/V Dana"
- Supervisor, 2 master students in Aquatic Science and Technology

Ph.D. Assessment:

- Chairman of Ph.D. defence by Julie Strand "Biobanking", 2021
- First opponent for a Ph.D. defence at Tromsø University, 2010.
- Chairman of Ph.D. defence by Lotte Kindt-Larsen, "Marine mammals bycatch", 2015.

Other:

- Several invited lectures on courses for industry, ministries and universities, around 15

2. Study administration: A list of any study administration tasks, e.g. study board membership, head of studies or semester or course coordinator, accreditation, etc.

- Semester coordinator for 9-10th semester in biology (60 erts)
- Semester coordinator for 6th semester in biology (30 erts)
- Responsible for the course "Marine biology", 6th semester bachelor in biology (5 erts)
- Responsible for the course "Limnology", 6th semester bachelor in biology (5 erts)
- Member of the Chemistry and Bioscience Institute Education Committee

3. University pedagogy qualifications: A list of any completed courses in university pedagogy, PBL courses, workshops, academic development projects, collegial guidance and supervision, etc.

- AAU course: "Basic course for university teachers".
- AAU course: "Basic course in problem based learning and project work."
- DTU course "Ph.D. supervisor course"

4. Other qualifications: Conference attendance, editorials, presentations, etc. relating to education, 'University Teaching Day', etc.

- Responsible for presentation of AAU Biology education at Nature Meeting in Hirtshals
- Member of the board of Aalborg Zoological Conservation Foundation, funding student projects.

5. Teaching activity development and teaching materials: A list of any contributions to the development of new modules, teaching materials, study programmes, e-learning, collaboration with external business partners, etc.

- Developed AAU master course in "Marine Biology"
- Developed Master and Ph.D. DTU course in "Fish Capture Technology"

6. Teaching awards you may have received or been nominated for.

NA

7. Personal reflections and initiatives: Here you may state any personal deliberations as regards teaching and supervision, any wishes and plans for further pedagogic development, plans for following up on feedback/evaluations from students, etc.

NA

8. Any other information or comments.
