Type your answer here...

6. Teaching awards you may have received or been nominated for.

Type your answer here...

7. Personal reflections and initiatives: Here you may state any personal deliberations as regards teaching and supervision, any wishes and plans for further pedagogic development, plans for following up on feedback/evaluations from students, etc.

2016 - maj 2017:

Jeg har arbejdet med muligheden for at introducere skriftlig eksamen i Imperativ Programmering, fordi den nuværende mundtlige eksamen (baseret på afleveret eksamensopgave) er meget tidskrævende. Endvidere er den hidtige eksamensmodel meget skrøbelig hvis eksaminator får forfald i eksamensperioden.

Jeg har arbejdet bredt med muligheder for en øget digitalisering af undervisningen, baseret på mine erfaringer med at flippe de to kurser, som jeg kører i efterårssemestrene.

Efteråret 2017: Jeg har deltaget i TECH fakultetets aktiviteter om digitalisering af undervisningen, og jeg forventer også fremadrettet at være med i dette arbejde. Erfaringerne fra Institut for Datalogi bør udnyttes i dette arbejde.

8. Any other information or comments.
