

Teaching portfolio

1. Teaching CV: A list of any lecturing and supervision tasks, including specification of academic fields, scope, level (bachelor, master, continuing education, PhD) as well as any external examiner tasks.

I started teaching at AAU in 2012 and I have extensive teaching experience covering all aspects from lectures, workshops, and case facilitation to project supervision, all of which can be conducted in Danish or English.

The focus of my teaching is predominantly linked to my research, which is focused on understanding painful musculoskeletal disorders and how these can be managed. As an example, I give lectures, conduct workshops, and provide supervision on clinical examination, diagnostics, differential diagnostics, and management of musculoskeletal conditions on different educations at AAU.

I supervise students on bachelor, masters, and Ph.D. levels.

2. Study administration: A list of any study administration tasks, e.g. study board membership, head of studies or semester or course coordinator, accreditation, etc.

- On the Master of Musculoskeletal Physiotherapy, I coordinate the second semester as well as an elective module on Diagnostic ultrasonography on the third semester.

- I have served on the Study Board of Health and Technology at AAU since 2020.

- I have been involved in developing the 2-year full-time Master of Musculoskeletal Physiotherapy at AAU from idea conception to its initiation in 2019.

3. University pedagogy qualifications: A list of any completed courses in university pedagogy, PBL courses, workshops, academic development projects, collegial guidance and supervision, etc.

- 2022-2023: Practice Development Workshop 1-3 for Case Facilitating on the Bachelor Program MedIS/Medicine

- 2019: PhD Supervisor course.

- 2018: Adjunct-program at University College Northern Denmark (University Colleges pedagogy with focus on Reflective Practice-based Learning (RPL))

- 2018: Seminar: "From educational research to educational practice" at AAU, Aalborg, April 4th

- 2016-2018: Adjunktpaedagogikum (university pedagogy for assistant professors with focus on Problem Based Learning (PBL)).

4. Other qualifications: Conference attendance, editorials, presentations, etc. relating to education, 'University Teaching Day', etc.
