Teaching portfolio

1. Teaching CV: A list of teaching and supervision tasks, including specification of academic fields, scope, level (bachelor, master, continuing education, PhD). Please state the teaching method used (e.g. lecture, class teaching, exercises, supervision, examination, coexamination, distance teaching, internet-based teaching and evaluation of teaching). Please also indicate the language of instruction.

I have covered several aspects of teaching such having lectures, conducting laboratory courses, and providing feedback to the students. The students were on a primary school, high school, and undergraduate, and graduate level.

Teaching

- •Lecturer in "Advanced Biochemistry and Genetics", Aalborg University
- •Teaching assistant in "Disease processes and Diagnostics Personalised Medicine", Aalborg University
- •Lecturer and supervisor at the "Summer school of Forensic Genetics and Massively Parallel Sequencing", University of Copenhagen
- •Teaching assistant in the "Philosophy and Ethics of Molecular Medicine", Aarhus University
- •Teaching assistant for Internship Students, Aarhus University

Supervision

- •Two fourth semester project groups (Medicine and Medicine with Industrial Specialisation)
- Visiting PhD student (Forensic Genetics)
- Undergraduate student (Pharmacology)

The language of instruction was either Danish or English.

- 2. Study/programme administration and management: Experience in programme management and coordination. A list of study administration tasks, e.g. study board membership, chair of study board, semester or course coordinator, accreditation tasks, etc. Experience in planning teaching activities. Experience in programme development. Participating in committees and commissions etc. on education issues.
- 3. Formal pedagogical training: A list of completed courses in university pedagogy, PBL courses, workshops, academic development projects, collegial guidance and supervision, etc. Written assessment from the course in university pedagogy for assistant professors. Participation in conferences on pedagogy and didactics. Please enclose any documentation of the above, such as course certificates, references, etc
- 4. Other qualifications: Conference contributions and attendance, contributions to debates, scientific articles on pedagogical issues etc. Peer supervision, editorials, mentoring experience or other types of competence development activities.

Mentor, Centre of Science Education, Aarhus University

- 5. Pedagogical development and research: Development of new courses, teaching materials, teaching methods, examination types or other types of pedagogical development. Didactic and pedagogical research. Cooperation with external collaboration partners.
- 6. References on your teaching skills from superiors or colleagues. Teaching evaluations and any teaching awards received.

- 7. Personal reflections and initiatives: Here you may state any personal deliberations as regards teaching and supervision, any wishes and plans for further pedagogical development, plans for following up on student feedback/evaluations, etc. Personal reflections on your own pedagogical practice, including objectives, methods and implementation. This should include an analysis and a reasoned description of your pedagogical activities in relation to your pedagogical understanding and student learning. Thoughts on the teaching method at Aalborg University (which is largely based on grouporganised project work and problem-based learning)
- 8. Any other information or comments.
