- Blended Learning Workshop AAUBS (2022).
- Tony Bates workshop on digital learning (2020).
- The RUNIN project, a Marie Curie Innovative Training Network for PhD students (2017-2021) included an effort to train less experienced PhD supervisors in their role as supervisors. This was achieved through the appointment of academic mentors. The academic mentors were highly experienced professors with an extensive supervision and publication track record. The academic mentors supported all supervisors (me included) who had supervised less than five PhDs to completion. At AAU, Bengt-Åke Lundvall served as academic mentor until his final retirement in 2018.
- AAU's Teaching Day on Enhancing Student Engagement (2018).
- 2-day course for PhD supervisors on Writing Skills and the Road to a Good PhD Life (offered by the PhD School of Social Sciences at AAU) (2018).
- 1-day course for PhD supervisors on Communication and Dialogue in Supervision Conversations (offered by the PhD School of Social Sciences at AAU) (2015).
- Course on systemic process consultation and coaching (provided by the company Attractor). Although the course was not an activity specifically aimed at developing teaching qualifications, it provided training in some very useful tools for reflecting on own practices and becoming more focused on students' perspectives (2008-2009).
- University Pedagogy Training for Assistant Professors at AAU (2005).

4. Andre kvalifikationer: Bidrag til konferencer, debatindlæg, videnskabelige artikler om pædagogiske emner m.v. Kollegasupervision, redaktørarbejde, erfaring som mentor og anden kompetenceudvikling.

- Participation in cross disciplinary project at AAU on Problem Based Learning – Competences, Relations and Employability, aimed at developing methods for supporting students' reflections on and documentation of their competence development and relations acquired during their PBL/project collaborations with firms and other organisations (2018-2019).
- Supervisor a colleague enrolled in the University Pedagogy Training for Assistant Professors (2014).

5. Pædagogisk udvikling og forskning: Udvikling af nye kurser, undervisningsmateriale, undervisnings- og eksamensformer eller andet udviklingsarbejde. Didaktisk og pædagogisk forskning. Samarbejde med eksterne samarbejdspartnere.

- Participation in development of the Entrepreneurial Business Engineering master education (2021-2022).
- Development and participation in the RUNIN project (2016-2021) funded by the European Commission as an Innovative Training Network (ITN) under the Marie Skłodowska-Curie research programme, which is part of Horizon 2020. The aim of RUNIN network program was to train researchers on how universities contribute to innovation and economic growth in their regions through research seeking to examine how universities fulfill their third mission in relation to regional industry and explore the range of university engagement with regional firms and institutions. The project had 14 PhD students and involved seven universities in seven countries as well as seven non-academic partner institutions.
- Participation in the development of an elective on responsible research conduct for the university pedagogy programme for assistant professors. The elective is a modified version of the below-mentioned PhD course (2018).
- Participation in the development of mandatory AAU PhD course on responsible research conduct (2016). The course was first offered in the autumn of 2016 and is still be offered 4 or 5 times a year as a mandatory part of the PhD training at AAU.
- Contribution to a textbook on Evaluation of Public Policy and Administration. This book, published in 2016, is used in several different teaching programmes at bachelors', masters', and continuing level of education. A second printing of the book was released in 2019.

6. Udtalelser om undervisningskompetencer fra foresatte og kolleger. Undervisningsevalueringer og eventuelle udmærkelser for undervisningsvaretagelse.

-

7. Evt. personlige refleksioner og initiativer: Personlige overvejelser knyttet til undervisning og vejledning, ønsker til og planer for pædagogisk videreudvikling, planer for opfølgning på undervisningsevalueringer m.v. Refleksioner over eget pædagogiske arbejde, dets målsætninger, metoder og gennemførelse. I refleksionen analyseres og motiveres dine pædagogiske aktiviteter i forhold til din pædagogiske forståelse og de studerendes læring. Tanker om undervisningsformen på Aalborg Universitet, der har et stort indhold af gruppeorganiseret projektarbejde og problembaseret læring (PBL).
