Kvalifikationer

Biomedical Engineering and Neuroscience, PhD, Improving Telemonitoring for Chronic Heart Failure Patients: A Data-Driven Investigation into Improving Equity and AI Models for Telemedicine

15 mar. 2020 → 1 mar. 2024

Dimissionsdato: 1 mar. 2024

Folkesundhedsvidenskab, cand.scient.san.publ

1 sep. 2015 → 1 jul. 2018

Dimissionsdato: 1 jul. 2018

Publikationer

Digital Health Literacy Inequities: Are Rural Populations Disadvantaged by Geography or Socioeconomics?

Xylander, A. A. P., Nielsen, M. G., Sørensen, K., Kristensen, L., Jensen, B. & Bøggild, H., 17 nov. 2025.

Prediction of 14-day Hospitalization Risk in Chronic Heart Failure Patients, using Interpretable Machine Learning Methods

Xylander, A. A. P., Cichosz, S. L., Jensen, M. H., Hejlesen, O. & Witt Udsen, F., maj 2025, I: Health and Technology. 15, 3, s. 515-522 8 s., e031670.

Telemedicine as a Tool for Bridging Geographical Inequity: Insights in Geospatial Interactions from a Study on Chronic Heart Failure Patients

Xylander, A. A. P., Cichosz, S. L., Hejlesen, O. & Witt Udsen, F., 24 okt. 2024, I: BMC Public Health. 24, 1, 2953 .

Improving Telemonitoring for Chronic Heart Failure Patients: A Data-driven Investigation into improving Equity and AI models for Telemedicine

Xylander, A. A. P., 2023, Aalborg Universitetsforlag. 150 s.

Social capital and frequent attenders in general practice: a register-based cohort study

Pasgaard, A. A., Mæhlisen, M. H., Overgaard, C., Ejlskov, L., Torp-Pedersen, C. & Bøggild, H., 2 mar. 2018, I: BMC Public Health. 18, 1, 10 s., 310.

The moderating influence of social capital on health care utilization: A danish cohort study with emphasis on poor mental health

Pasgaard, A., Mæhlisen, M. H., Overgaard, C., Torp-Pedersen, C., Jeppesen, L. E., Curtis, T. & Bøggild, H., 2017, *Kongres for Medicinsk Studenterforskning, Abstracts, 16.-19. marts 2017, Nyborg, Danmark*. Selskab for Medicinsk Studenterforskning, s. 30-31

The moderating influence of social capital on health care utilization: a Danish cohort study with emphasis on poor mental health

Pasgaard, A. A., Mæhlisen, M. H., Overgaard, C., Torp-Pedersen, C., Jeppesen, L. E., Curtis, T. & Bøggild, H., 2017. 2 s.
