

Teaching portfolio

1. Teaching CV: A list of any lecturing and supervision tasks, including specification of academic fields, scope, level (bachelor, master, continuing education, PhD) as well as any external examiner tasks.

The overall themes of my lectures are:

- Good Laboratory Practice (GLP), Good Clinical Practice (GCP) and Good Documentation Practice (GDocP)
- Statistics
- Central pain mechanisms in patients with chronic pain

I supervises a broad spectrum of students with a focus on pain and pain mechanisms.

2. Study administration: A list of any study administration tasks, e.g. study board membership, head of studies or semester or course coordinator, accreditation, etc.

I am semester coordinator for 3. semester on the master education on Clinical Science and Technology and course responsible on "Planing and execution of clinical trial" on the 2. semester on the master education on Clinical Science and Technology.

3. University pedagogy qualifications: A list of any completed courses in university pedagogy, PBL courses, workshops, academic development projects, collegial guidance and supervision, etc.

I have completed the Adjunktpædagogikum in 2017. I am English level C1 certified (according to the Common European Framework of Reference (CEFR))

4. Other qualifications: Conference attendance, editorials, presentations, etc. relating to education, 'University Teaching Day', etc.

I has published four book chapters targeted students and clinicians on assessment of pain in patients with osteoarthritis through the International Association for the Study of Pain (IASP) and FADL. Please find a list of book chapters below:

- 1.Chapter title: "Smerter i bevægeapparatet 2: Osteoartrose" (English title: "Pain in the musculoskeletal system: osteoarthritis"). Petersen KK. In: "Smerter" (English title: "Pain"), Editors: Nanna Finnerup, Lars Arendt-Nielsen and Mads Werner. Publisher: FADL's forlag, 2019.
- 2.Chapter title: "Predicting Chronic Pain After Joint Surgery". Petersen KK, Arendt-Nielsen L. In "Pain after Surgery", Editors: Daniel B Carr, Lars Arendt-Nielsen and Kris C P Vissers. Publisher: IASP press, 2018.
- 3.Chapter title: "Chronic Pain after Joint Surgery". Petersen KK, Arendt-Nielsen L. In: "Pain in the Joints", Editors: Arendt-Nielsen L, Perrot S. Publisher: IASP press, 2016.
- 4.Chapter title: "Assessing Joint Pain Experimentally in Humans". Arendt-Nielsen L, Petersen KK. In: "Pain in the Joints", Editors: Arendt-Nielsen L, Perrot S. Publisher: IASP press, 2016.

5. Teaching activity development and teaching materials: A list of any contributions to the development of new modules, teaching materials, study programmes, e-learning, collaboration with external business partners, etc.

I have several external business partner which occasionally is used in teaching. Mainly for the courses on GCP and GDocP.

I use e-learning in my teaching by applying several youtube clips for e.g. an fast explaining on statistics. In addition, I have facilitated that several students conduct a semester abroad and therefore I often use Skype/Zoom/Team as a media for supervision.

6. Teaching awards you may have received or been nominated for.

None

7. Personal reflections and initiatives: Here you may state any personal deliberations as regards teaching and supervision, any wishes and plans for further pedagogic development, plans for following up on feedback/evaluations from students, etc.
