

Teaching portfolio

1. Teaching CV: A list of any lecturing and supervision tasks, including specification of academic fields, scope, level (bachelor, master, continuing education, PhD) as well as any external examiner tasks.

Supervisor at Aalborg University:

- 5th to 10th semester, Department of Electronic Systems / Automation and Control, 2011-present.
- 1st to 3rd semester, Department of Electronic Systems and Department of Mathematical Sciences, 2014-present.
- PhD (6 students), Department of Electronic Systems / Automation and Control, 2009-present.
- Erasmus (European Region Action Scheme for the Mobility of University Students), Department of Electronic Systems / Automation and Control, 2015-present.
- 3rd semester, Department of Mathematical Sciences, 2004 and 2006.

Teaching at Aalborg University:

- Modelling of mechanical systems (7th semester), Department of Electronic Systems / Automation and Control, 2023-present.
- Matematisk modellering og simulering af teknologiske systemer II (3rd semester), Department of Electronic Systems / Automation and Control and Department of Mathematical Sciences, 2015-present.
- Robot Motion (7th semester), Department of Electronic Systems / Automation and Control, 2019-present.
- Advanced control (8th semester), Department of Electronic Systems / Automation and Control, 2023-present.
- Matrix Calculations: Theory and Numerical Methods (6th semester), Department of Electronic Systems / Automation and Control, 2012-present.
- Nonlinear Control Systems (9th semester), Department of Electronic Systems / Automation and Control, 2008-2021.
- Optimality and robustness (8th semester), Department of Electronic Systems / Automation and Control, 2012-2022.
- Systems of Systems/Complex Systems (9th semester), Department of Electronic Systems / Automation and Control, 2012-2015.
- Control and Optimization (PhD course), Department of Electronic Systems / Automation and Control, 2009, 2010, 2013, 2015, 2017.
- Distributed Optimization (PhD course), Department of Electronic Systems / Automation and Control, 2018.
- Linear Matrix Inequalities (PhD course), Department of Electronic Systems / Automation and Control, 2016, 2020.
- Optimal Control (PhD course), Department of Electronic Systems / Automation and Control, 2019, 2020, 2023.
- Advanced Nonlinear Control (PhD course), Department of Electronic Systems / Automation and Control, 2010, 2012, 2015, 2022.
- Geometric Linear Control Theory (PhD course), Department of Electronic Systems / Automation and Control, 2014, 2017, 2020, 2022.
- Short Course on Hybrid Systems (PhD course), Department of Electronic Systems / Automation and Control, 2013.
- Mathematical Control Theory (PhD course), Department of Electronic Systems / Automation and Control, 2011.
- Complex Systems (PhD course), Department of Electronic Systems / Automation and Control, 2009.
- Discrete Mathematics (2nd semester), Faculty of Technology and Science, 2007.
- Linear Algebra (5th semester), Department of Development and Planning, 2006.
- Calculus (1st semester), Faculty of Technology and Science, 2006.
- Mathematics, Brush-up course, Faculty of Technology and Science, 2005.
- Mathematics, Admission Course, Faculty of Technology and Science, 2003 and 2004.

Ass. Teaching at Aalborg University:

- Linear algebra (2nd semester), Faculty of Technology and Science, 2007.
- Elementary Partial Differential Equations (6th semester), Department of Mechanical Engineering, 2004.
- Elementary Differential Geometry (4th semester), Department of Mechanical Engineering, 2004.
- Mathematics, Admission Course, Faculty of Technology and Science, 1998, 1999, 2000, 2001 and 2002.

2. Study administration: A list of any study administration tasks, e.g. study board membership, head of studies or semester or course coordinator, accreditation, etc.

2016-2021

Study coordinator (Fagkoordinator) for the master education at Department of Electronic Systems / Automation and Control

2020-present

PhD Board member, The Technical Doctoral School of IT and Design, AAU

3. University pedagogy qualifications: A list of any completed courses in university pedagogy, PBL courses, workshops, academic development projects, collegial guidance

and supervision, etc.

2021

Research Management Course, Aalborg University.

1/2017

Campus-to-campus video conference course modules.

Workshop on how to use video conference systems in teaching.

11/2008-02/2010

University Pedagogy for Assistant Professors, Centre for University Teaching and Learning, Aalborg University.

04/2009 Communication in teaching.

A one day workshop at Aalborg University.

05/2009

ICT in teaching, supervision and learning.

A one day workshop at Aalborg University.

10/2009

Evaluation of teaching and assessment of learning.

A one day workshop at Aalborg University.

4. Other qualifications: Conference attendance, editorials, presentations, etc. relating to education, 'University Teaching Day', etc.

Teaching material:

- En kort introduktion til sandsynlighedsregning. A lecture note on probability theory for use at admission Course.
- Projektforslag til SRP. A catalogue with project proposals for high school final study project (studieretningsprojekt).

5. Teaching activity development and teaching materials: A list of any contributions to the development of new modules, teaching materials, study programmes, e-learning, collaboration with external business partners, etc.

2012

Completely revised the Study Curricula for Electronics and IT (at Aalborg University) to align math courses with the rest of the curriculum.

6. Teaching awards you may have received or been nominated for.

2013

"Teacher of the year 2013" at the Department of Electronic Systems.

7. Personal reflections and initiatives: Here you may state any personal deliberations as regards teaching and supervision, any wishes and plans for further pedagogic development, plans for following up on feedback/evaluations from students, etc.

8. Any other information or comments.
