Research profile

Jeg er lektor ved Institut for Politik og Samfund på Aalborg Universitet. Min forskning omhandler den aldrende arbejdsstyrke og tilbagetrækning fra arbejdsmarkedet. Derudover har jeg også en interesse for integrationsforskning. Til at belyse disse emner anvender jeg kvantitativ metode, særligt forløbsanalyse, på registre- og surveydata af både individer og arbejdspladser.

Min forskning er publiceret i velrenommerede tidsskrifter såsom Social Science Research, European Sociological Review og Socio-Economic Review.
